

HETAS Training Candidate Course Tree

This page shows the different HETAS courses, how they relate to each other and how you as a candidate can move through them.

1. Please see *HETAS Training & Assessment booklet* or check the HETAS website at www.hetas.co.uk/professionals/training-courses/ for details of the course contents, learning outcomes, and prerequisite requirements, in particular for H004 & H005DE.
2. Please ask at the centre for details on registration with HETAS after you successfully complete your course. If you have any further questions please email training@hetas.co.uk or call 01684 278170.

Successful completion - The next steps - register with HETAS...
